Return to Title IV. Federal regulations require repayment of a portion of funds received by students, unless certain conditions are met. A student who withdraws or stops attending all courses prior to completion of at least 60 percent of an enrollment period (i.e. a semester/term), WILL BE REQUIRED TO REPAY the "unearned portion" of the funds received. In addition, students who receive an "IF", "F", "WI", "I" or "U" grade where attendance cannot be documented, will be required to repay the excess federal financial assistance that they receive. In the event your account is submitted to collections, you will be responsible for all additional collection costs, which is equal to approximately 30% of the total amount due Lake-Sumter Community College.

Furthermore, I have read and understand the Return of Title IV information as stated above.
